GAPFINALATTACHMENTS-06282017102315.pdf

Chairman,

All the documents have been submitted and confirmed with GRANTS.Gov.

Just to let you know, I was not able to open the GAPONLINE because I was going to also add the documents there. Spoke to the support staff at GRANTS.GOV this morning to be certain the documents completely went through from our end. They did get them.

Keeping in mind our conversations regarding the gaponline and submissions.

Thank you,

Cynthia
